

# MOBIWAY™ UN'REEL®

A **360° Self-Spinning Reel** that helps you safely and easily roll, unwind and move cables.

Available in 48 inch reels.

Removable locking device to prevent the reel from rolling.

## KEY BENEFITS:

### EASY TO MOVE

One person can easily manipulate the reel anywhere on the site.

### EASY TO INSTALL

You can easily unwind your cable directly on the reel without using any additional tools.

### SAFETY FIRST

Less risks involved when manipulating the reel. Reduction of musculoskeletal problems.

### COST SAVING

Less resources and tools required.
