REEL AND SHIPPING CONTAINER POLICY

BILLING POLICY

Deposit charges for reels and containers must be paid for at the same time as the material. All deposit charges are subject to the Goods and Service Tax (GST) or Harmonized Sales Tax (HST).

CREDIT POLICY

At time of shipment, all chargeable reels will be billed at 100% of their deposit amount. Upon return within 24 months from shipment date, the reel credit will be issued at 93% of the original deposit amount provided the reels are in good and reusable condition. No credit will be issued if the reels are not in good and reusable condition. There will be no further deductions for late return penalties or additional damage repair costs.

RETURNING REELS AND CONTAINERS

All reels and containers, for which a deposit has been paid, should be returned freight prepaid to the nearest Nexans designated reel return depot. Returned reels must be in repairable and reusable condition. No RGA is required to return empty Nexans deposit reels. Please call your Nexans sales office if you have any questions.
